CLARKE & CO. RELY UPON HYOMEI.

Cures Colds, Coughs, Catarrh and Grip. Just Breathe It.

Hyomei is nature's own method for curing catarrh, colds, coughs and diseases of the respiratory organs. It is the only natural treatment for the cure of these troubles.

Breathed through the neat pocket inhaler that comes with every outfit, the air passes into the throat and lungs, is identical with that on the mountains, where it is laden with healing and health-giving balsams. It searches out and kills disease germs in the most remote and minute air cells of the head, throat and lungs, it soothes and heals all irritation of the mucous membrane.

Hyomei is prescribed by physicians generally. Many of them use it themselves to break up a cold and prevent pneumonia.

The complete Hyomei outfit consists of a neat inhaler, that is so small and convenient that it can be carried in the pocket or purse, a medicine dropper and a bottle of Hyomei. This costs but \$1, and it will cure any ordinary case of catarrh. In chronic and deep seated conditions, longer use is necessary and extra bottles of Hyomei can be obtained for 50c., making it a most economical treatment for this disease.

Clarke & Co. have so much confidence in the power of Hyomei to cure catarrh and other diseases of the throat and lungs that they sell it under their personal guarantee to refund the money to any purchaser in case it fails to give satisfaction. They take all the risk themselves, and Hyomei costs you absolutely nothing unless it does you good.

Good Spirits.

Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass State could not remedy a bad liver or the hundred and one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. At all druggists.—W. T. Brooks.

LIMESTONE, Scotch and Chicken Cock whisky at Central Bar.

"Do It To-Day."

The time-worn injunction, "Never put off 'til to-morrow what you can do to-day," is now generally presented in this form: "Do it to-day!" That is the terse advice we want to give you about that hacking cough or demolishing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TO-DAY—and let that remedy be Dr. Boschree's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists.—W. T. Brooks.
